

**Joan Sholars Candidate Statement**  
**FA Vice President**

It has been my great pleasure to serve the faculty as Vice President and would consider it an honor to continue serving all the faculty at Mt. San Antonio College. In the past few years, I have worked hard to increase our membership numbers and to engage our members through different activities on campus.

My goal for the next year is to further our membership engagement activities and work on the upcoming Board of Trustees election. I also want to increase awareness among the faculty of what the Faculty Association can and does do for them. During this time of the Janus Supreme Court decision that is due at any time, I want our union to remain strong and viable and we can only do that if the faculty stand with us. Thank you for your support.

**Linda Chan Candidate Statement**  
**FA Treasurer**

I have enjoyed serving the Faculty Association as your part-time director and CTA State Council for over a decade and as a member of the Faculty Association Budget Committee for several years. I also have served as a treasurer for other non-profit organizations as well as President of another college union local. I have had several union treasurer trainings through CTA and other organizations. I understand the necessity for fiduciary responsibility that best serves the needs of the membership.

As your treasurer I would make sure that your membership dollars are appropriately spent. I would “treasure” being your treasurer. Thank you for your consideration.

**Stephen Lancaster Candidate Statement**  
**FA Treasurer**

I have served on the representative council for the past three years. After multiple discussions with Al Kirchgraber, our current treasurer, I determined that I could be of service to the Faculty Association and its members if elected treasurer.

As treasurer, I would be dedicated to accurate, responsible, and timely execution of the treasurer duties. Also, as an automatic executive board member, I would be committed to the interests of the representative council during executive board meetings.

Thank you for your interest.

**Emily Woolery Candidate Statement**  
**Full Time Director**

My name is Emily Woolery and I am running for the position of Full Time Director for the Mt. San Antonio College Faculty Association. I work in the Library and Learning Resources Division as a Professor, Librarian (Reference/Instruction). Additionally, I serve as the College’s Outcomes Coordinator. I have held positions on the executive boards of the Faculty Association and Academic Senate. I have also fulfilled appointments to college committees and councils, including the Curriculum and Instructional Council, Institutional Effectiveness Committee, and Salary and Leaves Committee.

The ability to participate in bargaining and governance activities is one reason I enjoy being a professor and librarian at Mt. SAC. I am strengthening my contributions to these activities through opportunities provided by the Community College Association (CCA) and California Teachers Association (CTA). For example, I completed CCA's Building Strong Locals Academy in 2016-17 and the Grievance Academy in 2018. In 2015, I participated in interest-based bargaining and mediation trainings held on campus. In 2013 and 2017, I attended leadership conferences offered by CTA.

My experiences as a Professor, Librarian, and committee member, along with multiple training opportunities through CCA and CTA, have prepared me to represent faculty from across the campus, including those faculty that work in and out of the classroom. Thank you for considering me, Emily Woolery, for the position of Full Time Director.
