

## Health Benefits Program Contracting Agencies List

Along with the State of California, the following public agencies participate in the CalPERS Health Program. This list includes cities, towns, counties, schools or offices of education, courts, and special districts. Agencies can participate in the program for a group of employees and related retirees or for the whole agency. Additionally, not all positions in contracting agencies are eligible to enroll in health benefits. To determine if a specific position in a contracting agency is eligible for health benefits, please contact the Health Benefits Officer at the agency.
