I. Call to Order and Approval of Agenda
The meeting was called to order at 11:37am. Motion to approve agenda with flexibility made by Luisa, seconded by Maya. Amend agenda to include Herschel Greenberg, Maya Alvarez Galván, Joshua Christ, Tamra Horton, Emily Woolery, Sandy Esslinger, Judith Lawton, and Linda Chan on item VII.a.iii. The motion passed: 10 in favor, 2 abstentions.

II. Approval of Minutes
Motion to approve minutes of June 8, 2021 (Chan), seconded (Horton). The minutes were approved: 11 in favor, 2 abstentions.

III. Reports
A. President’s Report - Emily Woolery
1. Emily welcomed all back for the Fall semester.
2. FA Office Staff: Vera Suwantararungsri returned to the FA office after a brief resignation. Susan Azelton has retired after more than 20 years of assisting the FA. Question of whether a replacement will be hired for Susan. Emily said discussion will be needed before a decision is made.
3. Many professors are sharing concerns with side letter agreements not being followed to the full extent by the district. Some faculty have reached out to share that the side letter agreements do not support their areas. FA Leadership is struggling to get current numbers of COVID cases and quarantined individuals and classes from the District. Maya proposed that the FA contact the LA County Health Dept. to inform them of the District not providing current data about the numbers of COVID cases on campus and numbers of students and employees in quarantine. Eric shared that the Math Dept. is having conversations about the confusing letters students are receiving from contact tracers notifying them about their exposures to COVID-19 and the requirements for testing, quarantining, and returning to campus. Students are being notified they are to quarantine for a class exposure but then showing up
for on campus work and attending other classes on campus. Chisa
questioned to what degree the Dept of Health is able to help remedy the
problems faculty are reporting, aside from providing some information.
Emily asked Eric if CTA and CCA communicate with the Los Angeles
Department of Public Health. Eric replied in the negative; Eric said the
LAUSD teachers union, UTLA, has a strong communications relationship
with LADPH. Chisa mentioned that her readings tell her there is no
evidence of face shields protecting against the virus. Sandy agreed with
Chisa that strategic action is needed. Sandy also commented on the intent
of the side letters not being followed and the importance of FA showing
the District that it has the ability to enforce the contracts that have been
signed. Idea of press release about staff and students being left in the
dark about the spread of COVID-19 and cases on campus as a strategy in
addition to meeting with the BoT members. Emily shared some
communications she has had with different board members. Comments
from eboard members that the BoT members likely don’t have the
knowledge of the impact of current COVID-19. Other comments by
eboard members included accommodation requests made in June still not
having been processed by Human Resources, and a known case of an
adjunct faculty member, who was described as relatively advanced in age
and also has mobility issues, was denied accommodations by HR so
decided to not teach this semester.

4. FA will host membership drives with support from CTA and CCA. On
October 24-28, 2021, a membership drive will be held with CTA support.

B. **Vice President’s Report - Tamra Horton**
   1. Presented attendee information on workshops offered on FACT Day.
      Appears to be a lot of faculty interest in continuing this type of workshop
      series throughout the year.

C. **Treasurer’s Report - Linda Chan**
   1. Report is accurate as of today, 8/31/21. Negotiating expenses have not
      been paid yet. They are still being negotiated with the District. Motion
      made to take funds from the FA Awards and Gifts Line Item to purchase a
gift for Susan’s retirement (Alvarez-Galván) and seconded (Howell). Eric
      spoke against the motion. Motion withdrawn by Motioner. Eboard
      members will contribute to the purchase of a gift.

IV. **Closed Session:**
   A. **Grievance Report:** None.
B. **Negotiation Report:** Sandy expressed her concern about the side letters not being honored. Kelly asked about the need for spring semester side letter negotiations. Emily agrees that the FA needs to begin negotiating for spring semester. Eric advised that the FA demand to bargain based on topics. He recommended consulting with Robin Devitt about the timelines for response from the District and stated other options existed, such as filing a Cease and Desist Letter.

V. **Old Business- Action Items:** None.

VI. **New Business - Discussion Items**

A. **Appointments**- Motion to suspend the rules to move item to Action (Howell), seconded by Eric. Motion passes: 13 in favor, 1 opposed, 1 abstention.

1. Article 18 and DEI Workgroup: Herschel Greenberg, Tiffany Kuo, Eugene Mahmoud, Emily Woolery
2. Employee Wellness Committee: Misty Kolchakian

Judy asked why the opportunity to serve on the DEI Workgroup had not been advertised to all faculty. Eric expressed concern about compensated appointments not being advertised to all unit members. Eric motioned to separate the items, seconded. Motion passed: 12 in favor, 2 opposed, 0 abstained. Discussion ensued on VI.A.1. Eric encouraged a vote of no on the DEI Workgroup appointments.

At 1:00pm, a motion to extend the meeting by 15 meetings was made (Alvarez Galván). Seconded. Motion passed.

Judy and Vicki spoke to the more narrowly defined functions of the DEI workgroup, the reduced number of faculty appointed to the workgroup, and the reduced LHE allotted to the workgroup appointees than what had been drafted by the FANT as a proposed MOU, which also included a focus on professional development, an evaluation of the faculty evaluation procedures and tools for aspects of bias and other potential inequities that affect retention and success experiences of the faculty. The proposed MOU as written had not been agreed to by the District. Herschel said that his understanding when contacted as a potential appointee on the DEI workgroup was that the scope of the work was only about the evaluations, not other elements such as professional development and participant training. Question called: vote took place to
approve appointments to the DEI Workgroup- 1 in favor, 10 opposed, 2 abstentions.

Motion made to approve appointments to the Employee Wellness Committee and the 2021 CCA Fall Conference Delegates. Seconded. Motion passed, 13 in favor, 0 opposed, 0 abstentions.
