

Faculty Association Negotiations Update #6

STRONGER TOGETHER!

To: All Faculty

From: Sandra Esslinger, Lead Negotiator

Date: 02/22/2023

This update is to provide our members with a very general summary of what is happening in negotiations. The specifics of the TAs will be presented at Rep Council. Each representative will then share with the department members.

The District:

After a series of discussions between the District and the Faculty Association Lead Negotiators, this morning the District forwarded the Faculty Association a formal counter proposal on Salaries.

The proposal included the full 6.56% COLA on the salary schedule including appendices retroactive to 7/1/22 and adding a 20-year longevity step, while removing the 35-year step. It also included a restatement of agreement to continue discussions on “other monies.”

Please note that this is only the District Counter Proposal. The Faculty Association has not yet reviewed nor accepted this offer.

The next negotiation meeting is set for February 24, 2023.

Please direct any questions or concerns to Emily Woolery, President (erwoolery@gmail.com) or Tamra Horton, Vice President (t.horton.fa@gmail.com).

See you at the Board of Trustees meeting tonight! Stronger Together!
